After School Club

At Stepping Stones, we're delighted to offer a caring, fun and relaxed after school club designed especially for reception children.

Following our nursery's ethos, our club provides a safe and welcoming space for children to unwind, play and learn after a busy day at school.

Collection and Transport

We provide safe and reliable school collections, either by walking or in one of our nursery minibuses, depending on the school's location.

Our trained team ensures every journey is calm, well-supervised and enjoyable, with the same high standards of care and safety you know from our nursery setting.

A Warm, Welcoming Environment

Once children arrive, they are greeted by familiar, friendly staff who help them settle in and transition smoothly from the school day. Our After School Club is designed to feel like a home away from home — a place where children can relax, have fun and be themselves.

We have a highly dedicated and caring team of highly qualified early years practitioners, all DBS-checked and trained in paediatric first aid.

Activities and Play

Our activities are carefully planned to be age-appropriate, engaging and allows each child to follow their interests and unwind at their own pace.

Activities may include:

- Creative arts and crafts
- Science experiments
- Construction and imaginative play
- Games, puzzles and group challenges
- Story time and quiet corners for rest

Light Tea Provided

A balanced light tea is served each afternoon, giving children a chance to refuel and relax.

Meals are freshly prepared and cater to individual dietary needs.
